Los Angeles, CA 90012

Dear Supervisors:

APPROVE CONTRACT WITH THE CALIFORNIA DEPARTMENT OF EDUCATION (ALL DISTRICTS AFFECTED) (3 VOTES)

SUBJECT

Enter into a contract with the California Department of Education/Child Development Division (CDE/CDD) for the purpose of continuing the Investing in Early Educators Program (IEEP). This program provides cash stipends to eligible participants who are working directly with young children in CDE/CDD-funded child development programs or other qualified programs and who complete at least one three-semester unit course in child development or leading to a degree. This contract is for \$4.25 million; however, the amount could be modified as a result of the State budget crisis.

JOINT RECOMMENDATION WITH THE CHILD CARE PLANNING COMMITTEE THAT YOUR BOARD:

1. Approve and instruct the Chair to sign the attached contract with the CDE/CDD for the Child Care Salary Retention Incentive Program (CCSRIP) for Fiscal Year (FY) 2010-11. The contract continues funding for the local IEEP in the amount of \$4.25 million. The amount of this contract could be modified as a result of the State budget crisis. The Office of Child Care (OCC), within the Service Integration Branch of the Chief Executive Office (CEO), administers this contract on behalf of the Child Care Planning Committee (Planning Committee). The purpose of the IEEP is to retain an educated and qualified child care workforce in CDE/CDD-subsidized child development centers and other specified child development programs.

"To Enrich Lives Through Effective And Caring Service"

**Please Conserve Paper – This Document and Copies are Two-Sided
Intra-County Correspondence Sent Electronically Only**

2. Adopt the attached resolution and delegate authority to the CEO, or his designee, to prepare and execute any and all documents and contract amendments on behalf of the County as may be deemed necessary to implement this contract. Approval as to form by County Counsel will be obtained prior to executing any amendments.

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION

The OCC has administered the CCSRIP under contracts with CDE/CDD since FY 2001-02. This program provides stipends to qualified persons working in CDE/CDD-funded child development centers for the purpose of boosting the retention and education of teachers. Beginning in 2006, as a result of legislation sponsored by Los Angeles County, the program was granted a waiver and allowed to include family child care providers in CDE/CDD-funded Family Child Care Home Education Networks and teachers in non-CDE/CDD-funded centers and family child care homes serving a majority of children whose care was subsidized. As a result of language in the FY 2009-10 budget Trailer Bill, this waiver will apply to Los Angeles County throughout the life of the CCSRIP.

Implementation of Strategic Plan Goals

The IEEP supports the County's Strategic Plan Goal Number Two: Children, Family and Adult Well-being. The stipend component of this program is designed to address the quality of child development services by reducing teacher turnover in CDE/CDD-funded child development centers and other qualified programs, while also promoting the ongoing education of early educators.

FISCAL IMPACT/FINANCING

Approval of the attached contract will provide a total of \$4.25 million for the continued operation of the IEEP. Funding is included in the CEO FY 2010-11 Adopted Budget. All costs associated with this contract are covered by the funding from CDE/CDD.

It should be noted that these contract documents were received by the OCC on August 24, 2010, well after the start of the current fiscal year. In addition, the OCC has been advised that the amount of this contract could be reduced in the process of negotiating a State budget. A reduction in this contract could have implications for the grant-funded positions involved in the administration of the program. The CEO is monitoring this item and appropriate mitigating measures will be implemented should a reduction occur.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Assembly Member Dion Aroner introduced AB 212 for the purpose of addressing the low salaries and high turnover rates in CDE/CDD-funded child development programs. The bill was signed into law in 2000 and funding to implement this legislation was included in the FY 2000-01 State budget. The IEEP was launched in Los Angeles County in FY 2001-02. The contract before your Board will support the continued operation of the IEEP through FY 2010-11.

In 2005, the County of Los Angeles sponsored legislation (AB 1285) which granted a waiver to the Los Angeles County IEEP and allowed the program to serve a majority of state-subsidized children. The waiver became effective in January 2006, and as a result of the 2010 budget, the Trailer Bill will continue throughout the life of the program.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

During FY 2009-10, 1,930 persons working directly with young children in Los Angeles County completed at least one three-semester college course and received a cash stipend; over 65 percent of the program participants completed six or more units. Stipend payments totaled \$3.5 million and were paid directly to persons working in child development programs in this County.

As a result of the program waiver, 194 family child care providers participated in the program and earned stipends. In addition, 68 participants completed their Associate of Arts degrees, 94 completed Bachelor of Arts degrees, and 27 completed Master of Arts degrees. The IEEP has spurred both interest in and support for continuing education among this County's diverse child care and development teaching staff. Research has documented the link between child care and development program quality and teacher education.

CONCLUSION

Three signed copies (original signatures are required) of the contract and a signed and dated resolution should be returned to:

If the contractor has no board or is a sole proprietor, the requirement for a "fair market rental estimate" shall also apply. The contractor has the burden of supporting the reasonableness of rental costs. If the property is owned by the contractor, rental costs are not reimbursable and costs may be claimed only as depreciation or use allowance. 1. No person in the State of California shall, on the basis of race, national origin, ethnic group identification, religion, age, sex, sexual orientation, gender, ancestry, color, or mental or physical disability, be unlawfully denied full and equal access to the benefits of, or be unlawfully subjected to discrimination under, any program or activity that is conducted, operated, or administered by the state or by any state agency, is funded directly by the state, or receives any financial assistance from the state.
2. With respect to discrimination on the basis of disability, programs and activities subject to subdivision (a) shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, except that if the laws of this state prescribe stronger protections and prohibitions, the programs and activities subject to subdivision (a) shall be subject to the stronger protections and prohibitions.

As used in this section, "disability" means any mental or physical disability as defined in *Government code* Section 12926.

By signing this agreement, the contractor certifies that it has appropriate systems and controls in place to ensure that state (General) funds will not be used in the performance of this contract for the acquisition, operation of maintenance of computer software in violation of copyright laws.

Q. Priority Hiring Considerations (*Public Contract Code 10353*)

If the contract includes services in excess of \$200,000, the Contractor shall give priority consideration in filling vacancies in positions funded by the contract to qualified recipients of aid under the *Welfare and Institutions Code* Section 11200.

R. Labor Code/Workers' Compensation (*Labor Code Section 3700*)

Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement.

S. Corporate Qualifications to do Business in California

1. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.
2. "Doing business" is defined in *Revenue and Tax Code* (R&TC) Section 23101 as actively engaging in any transaction for the purposes of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.
3. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

T. Uniform Complaint Procedures (5CCR sections 4600-4687)

II. Agency Responsibilities

A. Role of Local Planning Councils (LPCs)

Each LPC should:

1. Seek legal counsel to determine what safeguards need to be established to protect the public interest;
2. Address potential conflict of interest issues;
3. Collaborate with all other interested parties in its county in order to conduct *comprehensive* child care staff recruitment and retention planning;
4. Each county may develop a plan that identifies the uses of funds from a variety of sources (the Child Care Salary/Retention Incentive Funds, as well as funds from both local and State Children and Families Commissions (First 5) and other funds) to support the retention and recruitment of qualified, 5CCR child care employees throughout that county's early care and education programs (including both subsidized and non-subsidized services).

The LPCs may submit either type of plan: a comprehensive county plan that includes a variety of funding sources and initiatives, as long as the plan clearly and separately identifies the required information about the specific funds announced in this bulletin; or a county plan that is limited to the funds announced in this bulletin.

B Use of Funds

1. This funding is to supplement, not supplant existing efforts and investments to retain qualified, 5CCR child care staff at the local level.
 2. The contract funds must be allocated to retain qualified, 5CCR child care employees, who work directly with children who receive subsidized care, in state subsidized, center-based programs and family child care and education home networks.
 3. One percent of the total funding allocation may be used for planning purposes. This includes any costs related to developing the plan.
 4. Contractors may claim no more than 15 percent of actual costs incurred, including the one (1) percent expended on planning, for administration.
 5. Contracts will be issued to the legal entity that currently holds the LPC contract with CDE/CDD.
 6. Collaboration is encouraged.
 7. Memoranda of Understanding, sub-contracts, consortia agreements among multiple counties, and other formal and informal types of collaboration are allowed. In particular, counties that have received small allocations may wish to develop a multi-county regional plan that will allow them to maximize the impact and/or benefits of their allocations.
 8. Each plan must describe the current data about needs and resources available relative to this initiative in their county, including but not limited to data about staff turnover and retention rates, and then must explain how awarded funds will be allocated in accordance with those data.
- C. Each plan must **identify** and **prioritize** the types or categories of 5CCR, child care employees who will qualify for participation in this child care staff retention initiative.
- D. Each plan must describe measurable outcomes and how they will be used to assess and document the effectiveness of this funding award in retaining qualified, 5CCR child care employees.
- E. Staff retention activities funded by these dollars should be selected in such a way that they are not dependent upon ongoing funding.

Each LPC must be able to demonstrate that it has systems in place for assuring both fiscal and program accountability for these funds. This includes a fiscal system that conforms to accounting standards for state contracts, and a program documentation system that is able to demonstrate impact of these funds over time and report the measurable outcomes identified in the plan. If funding awards are made for another year, LPCs will be asked to provide data regarding the effectiveness of their retention efforts.

F. Reimbursement Costs

Reimbursable costs must be incurred during the contract period. Contractors shall not use current year contract funds to pay prior or future year obligations.

Contracts and subcontracts shall be reimbursed for travel and per diem expenses at rates not exceeding those amounts paid to the CDE's represented employees computed in accordance with *California Code of Regulations, Title 2, Subchapter 1, State Department of Personnel Administration (DPA)*.

Nonreimbursable costs will be determined in accordance with the 2010-11 Resource and Referral Funding Terms and Conditions, Section V.F., "Nonreimbursable Costs."

G. Reporting Requirements

Private agencies (including proprietary entities) that receive \$500,000 or more in total federal funds are required to have an Organization Wide Audit (OWA) performed in accordance with OMB Circular A-133 and the "Audit Guide for Audits of Child Development and Nutrition Programs Audit Guide" prepared by CDE's Audits and Investigations Division (AID). Governmental and other public agencies (excluding school districts, county office of education and community college districts) must comply with the requirements of OMB Circular A-133 and the CDE's "Audit Guide." All other agencies (excluding school districts, county offices or education and community colleges) must submit a contractor audit performed in accordance with the CDE's "Audit Guide."

Each LPC must submit yearly a CD-3021 Child Care Retention Program Report, which describes the distribution and uses of the funds and the number of individuals or entities who received a stipend or benefit for the fiscal year July 1, 2010 to June 30, 2011. This report shall be submitted no later than July 20, 2011. The CD-3021 Reports shall be mailed to:

California Department of Education
Child Development Division
Attention: Linda M. Parfitt
1430 N. Street, Suite 3410

Expenditure of these funds shall be reported quarterly to Child Development Fiscal Services (CDFS) on Form CDFS-9529 with fiscal quarters ending September 30, December 31, March 31 and June 30. The last fiscal report for the period of July 1, 2010 to June 30, 2011 will be due July 20, 2011. Quarterly reporting must be submitted for reimbursement of expenditures.
